## SENIOR SCHOOL

### Day pupils

#### Supervision whilst travelling to and from school

Parents are responsible for ensuring that their daughters travel safely to and from school. Pupils are not supervised by a member of staff when travelling on the school coaches; they are expected to behave responsibly, according to the Code of Conduct sent to all families who book transport on school coaches. Failure to do so may result in a pupil being denied a place on a coach.

Parents of pupils in Y7 are offered the opportunity to book a place on the school minibus, which makes journeys daily during winter months to and from Rickmansworth underground station. Pupils are expected to behave responsibly and appropriately. Failure to do so will result in her losing this facility.

Devonshire House is also supervised from 4pm-6pm. Day pupils must be collected by 6.00pm. If there is an emergency parents should phone the School Office.

#### Attendance and Registration

All pupils register with their form tutor at 8.25am and again at 2.00pm (see sixth form exceptions) and with their class teacher at the beginning of each lesson. Day pupils arriving late for registration sign in at reception. The School expects to receive an email before 8.30am on the first day of a day pupil's absence, on the dedicated line. Where the reason for absence is not known, parents/guardians are contacted if a pupil has not been present at Registration and has not signed in at reception. Sixth Form pupils are, permitted to be out of school during lunchtime and then after the end of the afternoon assembly/Lifeskills/tutorial time/mentoring, once they have signed out at Reception and, additionally, if they are 'free p1 and 2'. Further details are available in the Sixth Form Handbook.

Boarders may not return to the boarding house during the school day, except Sixth Form boarders, who may use their House study facilities after 2:45 if they have no classes or lectures during the afternoon. Teaching staff register pupils in each lesson. Staff are given clear guidelines regarding the management of missing pupils.

If a boarder is unable to return to school at the expected time, a phone call must be made to the Housemistress to explain her absence.

#### Unsupervised access by pupils

Pupils are not allowed in certain areas of the grounds or school buildings without supervision of staff. Areas that are out of bounds are clearly marked and pupils are denied access to maintenance, caretaking and catering areas of school without permission and supervision.

### **Staff Induction**

All new members of the teaching and house staff receive a thorough induction into the School's expectations of the appropriate levels of pupil supervision. Detailed guidance is given in the Staff Handbook.

### **Staff Duties**

All members of the Teaching and House staff are expected to take their share of supervisory duties and expectations are made clear to them. Depending on the time of year staff, on rotation, are on duty at break and lunchtimes in the Dining Room, at Centre Doors, in the teaching corridors, in Devonshire House, on the Lovers and in the Resource Centre. Outside duties move 'inside' from Michaelmas to Hilary ½ terms.

SLT supervise, on a rota, the after school detention duty on Wednesday from 4.00-5.00pm.

### **Medical Support**

The fully trained nursing staff of the Health Centre look after the health of all pupils. A nursing sister is on duty between 7.30am and 4.30pm Monday – Friday. Any pupil feeling unwell should inform her teacher or member of the House Staff who will arrange for her to go to the Health Centre, if necessary. In some circumstances, another pupil will be asked to accompany a fellow pupil to the Health Centre.

No pupil may contact home to ask to be collected. The nurse or nursing assistant on duty will decide the appropriate course of action to be taken and will, if necessary, contact the parents/guardians.

## **RUSPINI HOUSE**

Every member of staff at Ruspini House will act in the best interests of children at all times. It is recognised that we act 'in loco parentis' and, therefore, should do our utmost to ensure the welfare of the children during the day.

There is structured supervision, for all children throughout the day starting at 8.00am. A rota exists to ensure that all staff are fully aware of their duties and that supervision is not compromised at any time during the day. The children spend the majority of the day with their Key Person or other members of staff from their room; room staff take full responsibility for the children's welfare and planned activities throughout the day.

At times during the week, visiting staff will also be involved in leading some enrichment activities, including Music, Games activities, and Spanish. They are always accompanied by an appropriate number of Ruspini House staff.

### **Qualifications and Ratios**

Children in Ruspini House are supervised at all times of the day by appropriately qualified staff and with an adequate number of staff to ensure compliance with ratios as set out in the DfE 'Early Years Foundation Stage Statutory Framework' (2021) at all times.

### **Paediatric First Aid**

All teaching staff at Ruspini House have undertaken appropriate paediatric first aid training and are available to look after children at all times.

### **Breakfast Club and arrival**

On arrival at school, children may attend Breakfast Club. This takes place in the hall from 8.00am and is supervised by an appropriate number of suitably qualified staff, depending on numbers. Breakfast Club children are escorted to their respective classrooms by 8.30am.

### **In the classroom outdoor areas and garden**

Every day, Ruspini House children spend time in their own classroom outdoor areas and in the garden. Room staff will ensure that there is always appropriate supervision in the classroom outdoor areas and all room staff are on duty when the children are in the garden. If a member of staff has to leave the garden for any reason (eg a sick child), another staff member (usually the Head or Secretary of Ruspini House) will cover for them.

### **Snack, Lunchtimes and Sleep Times**

Lunch is served in the hall. Children are supervised and assisted during snack and lunch by staff. A member of staff is always present when children are sleeping.

### **Late Club**

Children may attend Late Club from 3.45pm until 6.00pm. They are supervised by an appropriate number of suitably qualified staff, in line with EYFS statutory requirements.
